

## Terms Summary

### **Qura Meet – Contract Summary (Showcase)**

Effective: 3 Oct 2025

#### **Service**

Qura Meet is a video meeting service (web & PWA) that lets you create/join meetings, share screens, chat, and use optional features like reactions and captions.

#### **Price**

Free (demo). Commercial plans may be introduced later.

#### **Duration / Renewal / Termination**

Use is on-demand. You can stop using the Service anytime. We may suspend/terminate access for abuse or to comply with law.

#### **Key features**

- Peer-to-peer video/audio where possible (encrypted in transit).
- Screen sharing, chat, reactions (feature availability may vary).
- Works on modern browsers; best over HTTPS.

#### **Main user responsibilities**

- Follow applicable laws and respect participants' rights.
- Do not share illegal or harmful content.
- Obtain consent before recording or sharing sensitive content.
- Keep your device secure and updated.

#### **Privacy (short)**

- We process limited metadata to run the Service.
- Call media is routed via WebRTC and isn't stored by default.
- See the full **Privacy Policy** for details.

#### **Customer support**

Basic help via the Help page and support email.

**Liability & Warranty (short)**

Service is provided “as is” without warranties. Qura Labs is not liable for indirect or consequential damages to the extent allowed by law.
